Parent, Carer & Visitor Conduct

I would like to remind parents, carers and visitors to Wood Memorial that abusive, threatening or inappropriate behaviour/language will not be tolerated – towards staff, other visitors or anyone on school premises. Our 'Parent/Carer Code of Conduct Policy,' which is available to view on our website outlines our expectations for our school community. Anyone found to be in breach of these expectations may be asked to leave the school premises. Repeated infractions may lead to a ban from school grounds. This also applies to online messages sent via email, Seesaw or posted on other platforms. Such behaviour will be reported to our Governing Body and further action taken, in line with our policy, where deemed necessary.

At Wood Memorial we work very hard to build positive relationships with all parents, carers and visitors. I respectfully request that we work together to manage issues in a calm and respectful manner. We aim to resolve all concerns through an informal discussion but if we cannot resolve the concern in this way, there is a 'Complaints Procedure,' which is also available on our website. Thankfully incidents of this nature are rare and I thank everyone who plays a part in keeping our nurturing Woody ethos at the centre of everything we do here.

Thank you for your continued support,
Mr Johnson
